Thoughts for the summer

*Well the Gardens planted and the weeds are growing now just keep the lawn mowed and the weeds pulled. Sounds like a typical summer routine for many.
Enjoy the Harvest of your labours.*

Do you remember when the ships crews competed against each other in the whalers? Who hollered stroke and who pulled the oars? Working together, the oarsmen managed to keep the vessel moving at a fairly good clip. Shipmates, this is the way the Admiral Desmond Piers Naval Association likes to do things. Shipmates working together, helping in many ways to keep the Naval Traditions well and active.

Since the last news letter we have had our Battle of the Atlantic dinner and participated in a Red Rally to support our Armed Forces doing their DUTY. We have said farewell to shipmates who have completed their tour of Duty on this earth and now serve in the Light of Heaven and sail upon Still Waters.

ADPNA has supported the Sea Cadets by giving out Trophies, Bursaries and attending Parades for Bridgewater "RCSCC Niobe", Lunenburg "RCSCC Neptune", Shelburne "RCSCC SAXON" and Chester "RCSCC Llewellyn". We encourage cadets to excel and do well in Cadet training, personal life and in academic efforts.

Your ADPNA Executive members have organized an information session that will have taken place by the time this letter is published. We have invited all Legions in the Bridgewater and surrounding areas, all persons that have served the Canadian Military, Merchant Mariners and members of the RCMP serving and retired to attend the Information Session from Veterans Affairs.

Shipmates' working as a team gives many rewards and accomplishes good for all. Remember everyone can do something, even if it is just a phone call to encourage other shipmates.

May you all keep well and have a great summer.

Milton C. Williams
President, ADPNA

My young grandson called the other day to wish me Happy Birthday. He asked me how old I was, and I told him, "62."
He was quiet for a moment, and then he asked, "Did you start at 1?"

Senior Officers Change Posts

Forthcoming changes in appointments of three senior officers of the Royal Canadian Navy have been announced. Captain Desmond William Piers, at present commanding the *Quebec*, will take command May 9, 1956 of the HMCS *Algonquin* with the additional appointments as Captain, First Canadian Escort Squadron, and as Senior Officer in Command of the units concerned.

In his new appointments, Captain Piers will succeed Captain Ralph Lucien Hennessy

A little girl was diligently pounding away on her grandfather's word processor. She told him she was writing a story.

"What's it about?" he asked.

"I don't know," she replied. "I can't read."

RCNA Director - Updating the National side of the RCNA.

A National Executive Meeting was held in Brantford, Ontario on May 15th. This spring meeting was held in conjunction with the Annual Reunion to help cut down on expenses. As most of the Executive were attending the reunion, it was a good time to hold a meeting.

We were saddened by the Crossing of the Bar of our National President, Shipmate John McGovern, right at reunion time. A number of the Executive was able to attend John's funeral in Windsor, Ontario.

The Executive Vice President, Shipmate Ken MacAskill, of Thunder Bay declined the President's position due to his own and his wife's ill health. Vice President (Membership) Shipmate Blaine Barker was approached and has taken on the Interim Presidency until the next General Election at the 2009 AGM. Blaine has been with the Executive for a number of years. We are certain he will handle the job admirably. I had the honour of swearing him in as Interim President at the reunion.

Parliamentary & Veterans Affairs Officer, our own Shipmate Doc Halliday, spoke at length on the 2010 celebrations being held for the 100th Anniversary of the RCN.

There will be many functions taking place. Doc has all the information and keeps up to date on everything - a big job to say the least.

If any of you are planning a vacation in the west next spring, a great idea would be to fit the 2009 RCNA Annual Reunion in your plans. It will be held June 5th 6th and 7th, in Edmonton, Alberta. Area Vice President (Prairies), Shipmate June Greig, is Reunion Chairperson. June is working very hard to put on a great show. It will be a full weekend with lots of tours and goodies. The City of Edmonton is co-operating big time. For further information and registration forms call me at 902-543-6763.

Hope you all have a great summer. See you at the BBQ, August 2nd.—

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use, Grandpa. The mosquitoes are coming after us with flashlights."

An unexpected and much appreciated honour was bestowed on the cruiser, HMCS Quebec during the ship's visit to Vera Cruz, Mexico, when the C.O. Captain Desmond W. Piers was invited to Los Pinos, the presidential residence, to receive the personal welcome of the President of the Republic, Don Adolfo Ruiz Cortines.
