Shipmates;

Please note the following from S/M Jefferson

President

ADPNA

I will do a Canada Post mail out to those who do not have e-mail

Regards

Caines

To All ADPNA Members.

The Executive Committee met on Thursday, Sept. 10 to discuss the current situation we face as an organization, with regard to the Covid measures that are still in effect. Unfortunately we can not resume regular meetings due to Provincial and Legion regulations that are still in place. However we still function as a branch of the RCNA and we will continue to support our veteran community and the Sea Cadet program.

November 11 Remembrance day is approaching and we have in place members to lay wreaths at the various monuments. S/M Strong advised that all are welcome to attend the service at the Middlewood Church commencing at 1030. S/M Foote will visit the Vets wing of the Lunenburg hospital, as has been done in the past.

We presented one scholarship this year, \$1000 to a Cadet from RCSCC Niobe. Some of you may have paid for the cancelled BOA mess dinner. S/M Moss will reimburse those that paid.

S/M Foote, in his duties as past president is in the process of presenting a new executive, this will occur at our AGM in January, provided one can be accommodated.

Another executive meeting will be held sometime early December and I will provide you any info or decisions made at that time.

Stay safe.

Yours, Aye

S/M Ron Jefferson

President

ADPNA
